Sunday, August 28			
9:00 AM	12:00 PM	Marching Rehearsal	Lower Field

Evening activities are not required, but most band members choose to attend – they’re fun, and a great way to get to know your section and the band better!

The dining halls will be closed for dinner on Saturday, but there will be a campus barbecue after our performance (free for all). If a meal isn’t listed, it isn’t covered. Dinner on Wednesday is a section dinner on your own. Have fun with it!

The schedule has been designed to allow first-year students to attend the required meetings and activities for Wildcat Days. The only exception is the WildACTS program. Because there are five different performances assigned by dorm, freshmen will be permitted to miss rehearsal when their dorms are scheduled to attend the WildACTS performance (most of the performances don’t conflict at all). Students will be expected to return to rehearsal upon completion of the performance and discussion.
